**Summer Learning Adventure Camp at Birch Aquarium**  
From the aquarium to the beach, our camps merge scientific exploration with hands-on fun.

**Program Highlights**  
From the classroom to the seashore, Birch Aquarium's accredited Summer Learning Adventure Camps merge scientific exploration with hands-on fun and learning. Campers ages 4-15 investigate marine habitats, create ocean art projects, learn about diverse careers in oceanography, and combine the science and sports of surfing and snorkeling, all while making new friends and memories. There's always something new to inspire and explore with Summer Learning Adventure Camp!
